Swivel Stationary Modular Storage Solutions with Lazy-Swivel™ Option

- No bearings or drawer slides to wear out or fail
- Dirt & dust won't affect the hinge, plus it will not bind even when loaded
- Flat drawer bottoms, never worry about items catching or jamming on drawer above
- Truly built to last, the patented Swivel Drawer Hinge strength, durability and low resistance is based on fully welded heavy gauge steel that swivels on a solid 1" cold rolled steel shaft with a grease fitting in each drawer
- Secure tamper proof locking system
- Durable powder coat paint finish

Pre-Configured Units or Mix & Match Modular Units to create your own Modular Stationary Workbench

The Modular Series from Swivel allows you to build a stationary workbench to suit your needs in 2.5 foot increments - from 2.5 feet to whatever length you need. Add in shelves, a single drawer workstation, or if you want to maximize your workbench storage space leading into a corner add the exceptional Lazy-Swivel™!

Stationary Corner & Work Center Storage

The Pro50-6011 is ideal for corner storage on its own or place them together for 2, 3 or 4 sides of storage. Create the ultimate modular storage as shown, by adding 4 Pro50-6011's & 8 Pro51-3009's.

Pro50-6011

Pro50-6011 Corner Storage or Modular Storage Center

- Heavy-duty 12 & 14 gauge drawers
- Greaseable Drawer Hinges
- Secure Locking System
- Anti-skid drawer mats

Pro50-6011 Dimensions:
48.25" w, 27.5" d, 60.125" h,
660 lbs

Pro51-3009 Small Corner Storage

- 14 gauge frame & drawers
- Greaseable drawer hinges
- Anti-skid drawer mats

The Pro51-3009 can be used by itself mounted to a bench, wall or pillar. Two Pro51-3009's can be mounted side by side to create a half moon shape or stack two high and mount to a Pro50 to create a 2, 3 or 4 sided storage center.

PRO222405

PRO222405 Bench top Storage

- Strong 16 gauge frame
- 10/16 gauge drawers
- Secure latches to keep drawers closed
- Keyed lock for all drawers
- Greaseable drawer hinge
- Anti-skid drawer mats

Dimensions 29.75"WX24"Dx23"H 215lbs

Optional Drawer Dividers

Available for most models. 14 gauge galvanized steel with precision laser cut notches to allow for easy adjustment and variable configurations.
